

Multinational Managed Payroll Services

Payroll is the biggest expense incurred in business and often the most time-consuming. Costly penalties and fines can occur if payroll is not managed carefully, and with international payroll, there's no room for error. Our Managed Payroll services from Corban OneSource offer customized payroll solutions designed for your business with experts in 145+ countries.

Blue Marble has a unique hybrid service model, with a dedicated team in the US and access to payroll experts in each country when questions come up. International payroll can get complicated, but we make it simple.

- ✓ Custom payroll solutions designed for your business
- ✓ Increased accuracy and compliance with defined operating procedures
- ✓ Built in redundancy with team of experts working on your global payroll
- ✓ Compliance changes, taxes, and contributions made accurately and on time
- ✓ Monthly Reporting and filing to 3rd party vendors or HRIS systems
- ✓ Year-end documentation and reporting

We take care of the payroll, reporting, and compliance so you can focus on your strategic business objectives. To simplify your global operations in 145+ countries, talk to us about managed payroll services from Blue Marble, powered by Corban OneSource.
